

Women in Construction Week March 6-12

Hello all you incredible **Women** out there in the **Construction Industry!**

For more than 56 years, NAWIC has helped women take advantage of the opportunities in construction. Whether you want to embark on a new career, establish a networking base, be a mentor/mentee, make a difference in your community, continue your education, or invest in great friendships, NAWIC offers a variety of opportunities — large and small. We want to get the word out to as many Women in Construction as we possibly can to let you know that The National Association of Women in Construction (NAWIC) is here to support you as friends, coworkers and industry partners.

Salt Lake Chapter 90 has several activities planned during March to celebrate Women in Construction. We hope not only will you join us but you will get the word out to any women you know or work with in the construction industry to join us at these events.

Shriners Hospital Donation

We are having a donation drive for new toys, quilts and/or money for Shriners Hospital. Please speak to your companies about the possibility of putting a donation box in the office.

Suggestions for toy donations would be things children can do while they are confined to a hospital bed. Think Barbie's, action figures, Legos, coloring books and Crayons (24 pack or larger), Play Doh, Art supplies, Models, beading or other kits to keep their hands busy while they heal.

Walk Across the Region

Everyone enjoys a challenge and we all have the desire to be healthier so put on your walking shoes and join us in challenging the chapters of the NAWIC Pacific Southwest Region to a *Walk Across the Region*.

Starting March 6, 2016 we will begin a virtual walk to each chapter in the Region. As a group we will log our walking/running/swimming we do daily. We will calculate it into miles as we compete to see who can walk to the most chapters by August where we will announce the winners at AMEC, NAWIC's National Convention! Watch for the details coming soon!!!! This is going to be great fun!!!!
